

Serial No. 10/802,102

RD-28,965-4

REMARKS

In this Preliminary Amendment, Applicant requests that the specification in this Continuation Application be amended to give notice of its status. Originally filed claims 1-59 have been cancelled. No claims have been amended. Claims 60-103 are pending in this application. No new matter has been added.

In view of the foregoing, Applicants respectfully request that the suggested Preliminary Amendment to this Divisional Application be made according to 37 CFR 1.115.

Respectfully submitted,

Andrew J. Caruso
